Waiver: I know that playing tennis is a potentially hazardous activity. I know that I should not join or play in this league unless I am medically fit and able to participate and am properly trained. I assume all risks associated with playing including, but not limited to, falls, contact with other players, and effects of weather, including high heat and /or humidity, and conditions of the court, all such risks being known and appreciated by me. Having read this waiver and knowing these facts and in consideration of the acceptance of this entry, I, for myself, and anyone entitled to act on my behalf, waive and release Southwest Florida Tennis Group, the Corporation, sponsoring my team, their directors, officers, members, volunteers acting on their behalf, other players, all sponsors, their representatives, and successors from all claims and liabilities of any kind arising from or out of my participation in the PROGRAM, even though such liability may arise out of negligence/carelessness on part of the register person.

I hereby consent to the rendering of emergency first aid and other medical procedures, which, at the time of injury or illness, seems reasonably advisable.
